CENDANA CLIENT SUCCESS STORIES

“

We chose CENDANA eRetail to manage our product sales, inventory, purchasing and accounting. Now our website has hundreds of customers monthly, and all transactions can be instantly monitored via mobile devices.

”

“

We opted for a customised CENDANA with Customer Relationship Management (CRM) and Human Resources (HR). Now we are able to streamline our CRM process in a clear, complete and transparent pipeline. All payroll and leave data are processed securely online.

”

“

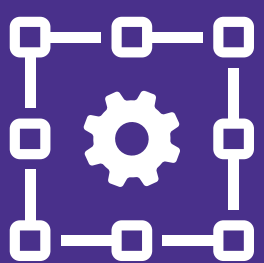

As an educational centre, we upgraded from our previous excel-based system. With CENDANA's integrated platform, we can easily manage and keep track of student tuition fees as well as pay slips for teachers and administrative staff.

A photograph of two men in a car shop. The man on the left is wearing a light blue button-down shirt and glasses, looking towards the man on the right. The man on the right is wearing a white button-down shirt and is smiling while looking at a tablet computer. They are sitting in front of a car that is on a lift. The car's wheels are visible, and there are banners in the background, one of which says 'TYRES' and another 'FALKEN'.

The perfect automated retail system, life is so much easier!

A photograph of three women wearing hijabs sitting at a table. The woman in the center, wearing a white hijab and a purple top, is smiling broadly while looking at a tablet. The woman on the left, wearing a dark blue hijab, is also smiling and looking towards the center. The woman on the right, wearing a light pink hijab and a dark red top, is looking down at a smartphone. On the table in front of them is a large glass mug filled with a brown beverage, likely coffee or tea. The background shows a window with a view of greenery outside.
